This is a perfect example of a BMW X1 SDrive Auto, a stunning looking a mid-sized SUV with generous cabin and boot space and a high quality interior finish. The X1 comes fully maintained with BMW SERVICE HISTORY and VERY LOW MILEAGE for the year at only 41,800 miles. BMWs attention to build quality shows with a solid drive and a smooth automatic gear change. Lots of stand out features including REVERSING SENSORS, BLUETOOTH HANDSFREE and CLIMATE CONTROL to name but a few. A must see!
