EXCELLENT CONDITION

984 UPL was supplied by The Reigate garage LTD on 05/07/1961 to Mrs Newman who owned the car for 35 years her son inherited the car in 1996 and has barely had any use only covering 150 miles in 15 years !! Finished in Farina Grey with contrasting Red vinyl and Grey Upholstery with Red carpets, being an early car it has the floor button start and sliding windows She drives superbly with smooth gear changes and a lovely rasp from the exhaust ,handling is spot on as you would expect from a Mini.This Austin is in remarkable condition for a vehicle of 58 years old the underneath is solid and the chrome is in very good order. We have the original service book and owners manual as well as a Heritage certificate from the British Motor Museum confirming matching numbers. Viewing is highly recommended and any inspection is welcome I can arrange access to ramps etc. More pictures available on request Part exchange possible Please (...)
