New from Eddis in 2019 is the two-berth Signature CV20 campervan, a dealer special. It has a well equipped central kitchen/galley and comes with a two-burner gas hob with additional 240V hotplate, a combination grill/oven, stainless steel sink with matching worktop cover, microwave and a slim line fridge/freezer. Opposite the kitchen, there is a surprisingly practical washroom for such a compact space, offering a shower, a swivel cassette loo with electric flush and a circular washbasin. In the rear is the lounge area which has two side-facing sofas, which can be easily converted into two generous 6ft 2in single beds or easily converted into a large, sumptuous transverse 6ft 1in double bed.
