We are delighted to offer this top of the range Hyundai IX35 Premium finished in deep Onyx Black with Full Ebony Black heated leather interior. This quirky family SUV has a full service history - 5 stamps in the book and is great to drive, responsive, quiet and economical. Benefiting from a desirable level of specification which includes factory fitted colour satellite navigation, Bluetooth phone connectivity, cruise control with speed limiter, rear parking sensors with colour reversing camera, twin sunroofs, electric folding mirrors, dual zone digital air conditioning/climate control, 17" alloy wheels with 4 matching Hancock tyres, rear privacy glass and remote central locking with 2 keys to name just a few. With annual tax of £290 to pay and great fuel economy averaging just under 50 miles to the gallon this extremely well maintained IX35 Premium really is the one to have. Hollytree Cars Ltd are proud to be a RAC Approved Dealer. Our cars have passed an 82 point RAC inspection and (...)
