## FULL SERVICE HISTORY

Drives as new, we have just removed all the British gas internal fixtures and fittings so this is a large interior 5 door van ready for work. Fitted with ice-cold air/con. Great value VW Caddy in lovely condition inside and out. We are a specialist car supplier based in the Sittingbourne region of Kent. Close to both the M20 and M2 we are ideally located for easy access. We offer vehicles of a high standard with usually low owners with full-service history. We put as much effort into the procurement of the vehicles we sell as the preparation that we then undertake prior to sale. All cars go through a rigorous pre-sales process including a multi-point check and servicing if required. Viewing times from 7 Am to 7 pm 7 days a week so you the customer are not restricted to normal business hours. To arrange a viewing/test drive please call us on 07775 503323 in the first instance, alternatively, email us [\[email protected\]](#) (...)
