Absolutely perfect driving car with low miles and FSH looks great in this combination. Beautiful condition inside and out. We have just had a year's MOT including two front tyres (not needed) but agreed with a customer! plus the all-important cambelt and water pump fitted. The last service was carried out less than 3k miles ago. This car is mint and read to go with nothing needed. Our customer decided to go on the missing list after we carried out the agreed work to this car!!!! We are based on the A21 TN57QA London rd. Open 7 days a week. Please feel free to turn up anytime, alternatively, call us on 07775 503323 to arrange a viewing/test drive.
