RENAULT 21 TURBO PHASE 1, 1988/PP. Carmen Red with Black leather interior. Only 86,000 miles with an excellent service and repair portfolio + mots. Originally 175BHP and 1190kgs, 2.0 8V Turbocharged, this was known as 'the French Cosworth', and just as quick due to its lighter weight advantage, excellent handling, and also retained the comfort of a big saloon. The Phase 1 was made for only 2 years, and comes with Leather seats, Glass sunroof, and ABS as standard. This car has benefitted from extensive but subtle upgrades including a Turbo Technics T35 turbo, front and rear cross drilled discs, Koni shocks and springs, Polybushed front (...)
