SERVICE HISTORY

A Very Well Presented Highly Spec'd 911 Turbo that includes only the very best and must have optional extras from the factory. Finished In awesome looking Sapphire Black Metallic over Black Comfy leather interior. The car is in outstanding condition throughout just 92,000 miles from new. This example is equipped with optional extras that many other 996 models on the market don't have. Some of these include Electric glass sunroof, Heated front seats, BOSE Sound Sytem, Reverse parking sensors, Fully electric seats inc memory and more. As you would expect, the car has the all-important service history, up to date with Strictly Porsche Maindealership And Specialist services. YOU WILL NOT FIND ANOTHER LIKE THIS! THE BEST AND MUST HAVE SPECIFICATION! A RARE INVESTMENT OPPERTUNITY TO PURCHASE A CAR THAT WILL ONLY APPRECIATE IN THE YEARS TO COME! This car has only had 3 Previous Keepers from new and has been cared for to a very high standard as (...)
