This van starts and drives well and is in nice order around, this is a nice example of this model, At Gatwick Vans we appreciate how hard it can be when buying a used van, we try and take care when selecting all of our vans, more often rejecting more than we purchase. Due to the experience we have, we have gained a knowledge that helps us know what to look for across the different models, also before any of our vans go up for sale we have a mechanic check each vehicle over.
