FULL SERVICE HISTORY

CENTRAL LOCKING

AIR CONDITIONING

ALARM

POWER STEERING

ELECTRIC WINDOWS

This has to be the best example of a Proton Satria GTI available in the UK. The car is in incredible condition inside and out for its age and drives like new with service only done 100 miles ago (including cambelt) and has Full Service History from new with all bill and purchase invoices. This car can only appreciate across the next few years and one in this condition will be highly sort after. Grab a great little british gem. Has just had new tyres. Air conditioning is fully working with great handling being tuned/adjusted by Lotus themselves! Great performance for a light nimble british sports hatch. Won't disappointed upon viewing. We are based 2.5 miles off Junction 3 or 4 on M3 motorway. Available to view any time by appointment only. If you need further information, please feel free to contact Dave both inside and out of normal (...)
